Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Saturday 17 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Dry and very warm on Sunday, hot in places.

This Evening and Tonight:
A dry, sunny and warm evening. Skies staying clear overnight, but turning a little cloudier to the west where some isolated patches of mist, fog or low cloud could develop by dawn. Minimum temperature 15 deg C (59 deg F).

Sunday:
Any early mist, fog or cloud quickly clearing to leave a dry and warm day with strong sunshine. Isolated heavy showers may develop toward the south during the afternoon. Maximum temperature 25 deg C (77 deg F).

Outlook for Monday to Wednesday:
A cloudier start to Monday with spots of drizzle, then dry with sunny spells later. Mainly dry with variable cloud through Tuesday and Wednesday and very isolated showers. Warm throughout.
